NC STATE

EXTENSION

Feed Milling Website

Feedmilling.ces.ncsu.edu

- Program updates
- Industry and regulatory webinars
- Events
- FSMA and feed manufacturing resources
- Example food safety plan
- Factsheets
- Email newsletter
- Job announcements

Feed Milling Youth Programs

- Guided virtual tour of NC State Feed Mill
- Cookie baking activity (Feed ingredients, mixing, pelleting, least cost formulation)

Students are asked questions about similarities and differences between feed milling and baking, ingredients used and are introduced to least cost formulation (what if we have to substitute ingredients?)
